

Stoneybrook CURRENT

FEB 2020

President's Update *by Charles Gonzalez, President, SGCC*

The House Committee

I'm sure that many of you out there know that Stoneybrook has a House Committee but I would bet that several of you don't really know what they are all about. According to their mission statement, the main job of the committee is to review, research, and recommend

policies and procedures to the Board of Governors concerning the buildings of Stoneybrook Golf & Country Club. This will provide the membership and public with a quality level of appearance and safety for all buildings maintained by the Club. In laymen's terms they are responsible for the care and maintenance of all of the structures and their contents within Stoneybrook.

The House committee is currently working on several projects including the following:

- 1) The replacement of the restaurant furnishings and decorations is the top priority for the committee right now. All of the tables and chairs are due to be replaced in the 2021–2022 capital budget. Also included is the replacement of the flooring and window decorations. New paint and wall coverings will complete the makeover. The House committee has created a sub-committee to work with our staff to make sure everything is of

the quality that residents of Stoneybrook will be proud of. The committee will be starting the process of creating plans and specifications for all of the required purchases. This will allow them to secure several bids from suppliers so that they are sure that Stoneybrook will get the best pricing available.

- 2) The upgrading of the golf course drink station is next on their list. Although this is not as big of a project as the restaurant do-over, it is also being managed by a subcommittee. The look of and location of the drink station is under consideration. The subcommittee will be working with the Pro shop staff to ensure that renovation will meet the present and future needs of our golfers.

There are two other projects that the committee has been working on over the past few years. They are the kitchen expansion and the fitness center enlargement. These two projects will require a major commitment by Stoneybrook. A lot of time and money will be required to bring these two projects to conclusion. With that in mind the committee is waiting on the Long Range Planning committee to finalize Stoneybrook's strategic plan before moving ahead on these two projects.

Greetings From The Club *by Frank Leahy, General Manager*

We are off to another incredible start to our Season and things are really cooking right now! Chef Zeke and Kathleen are extremely busy with another heavy schedule, which is almost always sold out! Just today, they were working with our volunteers on the 25th Anniversary Celebration and it looks to be another successful endeavor. I want to personally thank all our volunteers and the Social Committee for their passion and commitment to this event. To watch the Social Committee and our Food and Beverage Committee "dive in" every year in an effort to keep things fresh is really quite fantastic. We are very lucky to have all our volunteers.

The Finance Committee and Board of Governors have asked me to share a change to our Resale Capital Contribution fee. At the January Board meeting, the Finance Committee presented a motion, which was accepted and adopted by the Board to raise the Capital Contribution fee from \$3,000 to \$4,000 starting June 1, 2020. This rule does not apply to owners moving from unit to unit if they stay inside Stoneybrook.

We recently shared a note from Palmer Ranch regarding some Reclaimed Water Restrictions during the coming weeks. We feel the need to include this in the Current as it seems important to our owners.

Beginning Wednesday, January 15th, and every Monday, Wednesday and Friday thereafter, for 14–16 weeks, the reclaimed water pressure on Palmer Ranch will be noticeably

much lower than usual. This is due to wastewater coming into the Bee Ridge Reclaim Facility faster than it's going out. If the county can transfer water to the Central County Facility, then a spill at the Bee Ridge plant may be averted. In order to transfer the water, the county has to shut down the pressurizing pumps on Palmer Ranch to avoid the "clean water" getting mixed up with the "unclean water" until the "unclean water" is cleaned and then sent out to the holding ponds on the east side of the interstate. Please advise your irrigation contractors and residents to adjust the watering schedule to accommodate evening run times only.

For more information on reclaimed water, contact Sarasota County Public Utilities at (941) 921-2865.

Parking spaces are a hot commodity here at Stoneybrook during the heavy season. We certainly get the frustration at times, but at this point there isn't much more we can do to add more spaces. We continue to ask our staff to park in periphery areas and have added more than 20 spaces in the last few years. Moving forward, we are asking our owners to please adhere to a couple of very small items. First, please do not park in a handicap spot if you don't have the necessary credentials. Additionally, please don't park around the circle of the Clubhouse. We recently had a couple of fender benders due to cars that were parked "outside" of a parking space. Quite often, there are a few open spaces near the Fitness Center, which can be an option.

News From The Administration Office by Janet Passwater

This February is a Leap Year. I was wondering who came up with this and in case you were also wondering, it was Julius Caesar. I know, go figure! Roman general Julius Caesar introduced the first leap year more than 2000 years ago. Julius Caesar and his team of astronomers noticed that their 365-day Roman calendar had somehow slipped out of sync with the seasons. His “Julian Calendar” accounted for the slightly longer solar year by adding a leap day every four years. Nonetheless, it continued to have a small problem because it still had an annual surplus of about 11 minutes. So, the Julian Calendar drifted off course by one day every 128 years and by the 14th century it had strayed 10 days off the solar year. Do you know who fixed the glitch? It was Pope Gregory XIII in 1582. The Gregorian Calendar is the calendar that remains in use today. It is not perfect, and experts note that the remaining discrepancies will need to be addressed in around 10,000 years.

I was wondering what to do with this extra day and I thought this would be a great time to clean up our Stoneybrook Community list with Envera. We do this every few months just to make sure everything is up to date and the name spellings are correct. If you have a moment, please check your visitor list and make any necessary changes. If you need assistance just call or stop in.

Finally, a reminder that the 26th Stoneybrook Annual Membership meeting will be held on Thursday March 26, 2020 at Covenant Life Church at 9:30am. We hope to see you there.

Safety & Security by Bob Fleckenstein, Safety & Security Chair

IT'S YOUR STUFF, KEEP IT

-Always lock your house or condo door, especially when there is an advertised community event.

-Never leave your garage door open (unless you don't have one, in which case you just wasted your time reading this one...sorry).

-Do not allow anything of value to be visible in your car even if it is locked (as it always should be).

-Be aware of where you keep your valuables when you have contractors in your home.

-If you see something, say something!

Additional words of wisdom:

-There is an emergency exit button from the Clubhouse POOL on the column closest to the golf cart area (west) facing the fitness building. Please check it out just in case you may need it someday.

-It is NOT a good idea to ride a bike through the parking lot. It is almost impossible for a driver to see you as they back out of a parking space.

-If you ride a bike then WEAR a helmet.

WILDLIFE Photo Contest “One flew over the cartpath” Photo by Cara Ruhnke

Submit your recent digital
(original or large format)
snapshots of Stoneybrook wildlife to
nickiwaugh@gmail.com.

The best photo of the month will be
featured in the *Current*.

Additional Honorable Mention selected
entries will be posted in color, on the Natural
Assets page on the Stoneybrook website.
Requirements of the entries are to include:

- 1) your name
- 2) date of photo
- 3) description of place photo taken
(i.e., golf hole, street name, etc.)
- 4) caption (optional)

You can also monitor these exciting photos
monthly on our Wildlife Photo Contest
board outside of the
Stoneybrook Administrative Office!

On The Course by John Scott, Golf Course Maintenance Superintendent

Oftentimes the hardest part about writing this little article is choosing a topic. February is not one of those times. We are barely three weeks into “season” as I pen this gem and cart traffic is the topic that comes to mind. The level of play coupled with the cooler weather has resulted in significant wear around the golf course. Some of this is unavoidable and to be expected at a facility that does the level of play we do here. Please do your part in limiting the severity of cart traffic. Please observe the 90-degree rule. It is vitally important that you keep all four wheels on the path near greens and tees as these are the areas of highest cart concentration. When you are heading out to your respective tee for a shotgun, please be mindful of where you turn around. We do a minimum of four shotguns a week with some holes having (A) and (B) groups. Simply put, five to six carts turn around at some teeing areas each day and again at the end of their rounds, oftentimes they use the same area. Again, some of this is unavoidable. I’d simply like to make you aware and most importantly ask you avoid areas of visible wear. Thank you in advance for your help and understanding.

Best Regards,

John D. Scott, GCS

On The Ranch by Rob O'Connor, Vice-President, Palmer Ranch Board

Palmer Ranch...a small city or a village?

Palmer Ranch is home to 34 communities and counting.... More than 13,000 homes.... Total residents, if we count full time and part time, are 26,000+! That's a small city!

There are more than one million square feet of retail, office and industrial use spaces. Shopping includes Lowes, Target, Plaza at Palmer Ranch, CVS, and two Publix Supermarkets, to name a few. We also have a Post Office Annex and our very own Fire Station and, with all those cows we see in open grasslands, we might claim to still be in the cattle ranching business! Palmer Ranch, a village!

There are so many activities to engage in that bring families and friends together for fun, exercise and all-round good times! There are three parks within the Ranch: Potter Park, with its gazebo, trails, a playground, basketball and tennis; Culverhouse Nature Park, and its award-winning Community Garden, and Stoneybrook Nature Trail. The famous Legacy Trail is about 200 yards east of Stoneybrook's entrance. In addition, we have a YMCA with its great facilities; Selby Aquatic Center that attracts national and international events; TPC Prestancia, host to the PGA Tour; two challenging golf courses, Stoneybrook and TPC Prestancia; and a vibrant church, Covenant Life.

With all that's available close by, we almost never have to leave Palmer Ranch!

Make Your Practice Harder! by Susan Fasoldt, LPGA Golf Professional

I hear lots of golfers say, “I can hit it on the range but when I get to the course, I fall apart!” But I am not sure this is true...can you REALLY do it on the range? Or do you just hit the last 20 balls out of 25 well? If your FIRST try on the range isn't good, that is likely what your golf game will look like! On the course we really get ONE try. Since the game isn't going to change, maybe you could change your PRACTICE to match the REAL GAME.

Here are some ideas:

1. Randomize your practice. One ball, one target, hit shot. Change your club, change your target, hit your shot. Keep doing this for your entire practice bag. Never hit the same club to the same target more than once.
2. Play the front 9 on the range. Hit one drive, say you pulled it left, what club would that have left you with? Now hit your next shot to a flag on the right side of the range with the club you would have had. This recreates play on the course.
3. Play a point game and don't leave until you achieve your goal. Like IMAGINARY FAIRWAY—pick two boundaries on the range, hit 14 balls, decide ahead of time how many you want in the fairway.
4. Go through your whole process for each ball you hit on the range. Practice swing to prepare, hit the shot, practice swing after giving yourself feedback about the result. Now you are guaranteed to make more good swings than bad during your practice session!

This type of practice is SO much more challenging than hitting the same club 20 times in a row at the same target! Spoiler alert: you will feel like you didn't do as well, but when you get on the course, you will see an improvement!

In the swing of it! by Ed Katchur, Head Golf Professional

A Busy Month! Check your calendar and the website as late February and March are the *biggest* months for golf activities. Some popular events include: Club & Couples Championships, SMGA & SWGA Shoot-Outs, SMGA Men's and SWGA Ladies' Member/Guests, Breast Health Sarasota, Couples' Sixsome and Demo Days at the practice facility. Many of our major events have both a Gross and Net division for all abilities to compete. Please sign up two weeks in advance when you receive the electronic email invitation. Many of these wildly popular events fill to capacity.

Vendor Spotlight Days! Mark your calendar as top golf club manufacturers will be visiting Stoneybrook for Demo Days. The newly introduced 2020 golf equipment and drivers will be available to try and be fitted to your swing. Cobra Golf will visit us on February 3rd and TaylorMade Golf Fit on February 24th. Both Days will begin at 10:30am and conclude at 2:30pm. St. Patrick's Day multi-vendor includes Ping Golf, Callaway, and Cobra to offer their new line-up on March 20th from 11:00am to 4:00pm with green beer for participants. Any purchases during Demo Days will receive a discount.

You're Invited! Come join the festivities and purchase a gift for your sweetheart on Wednesday, February 12th from 5:00pm to 7:00pm as the Golf Shop will be hosting a "**Valentine's Sale Party**" with **Wine & Cheese**. During the event, members may roll dice for big discounts off their evening's purchases. For one night only many surprise mystery items will be on sale.

Pace of Play! One individual or group can back up the entire golf course. We ask your help to play

without delay. Please adhere to TFM messages from the Golf Shop and keep an eye on the pace of play clock located on the TFM GPS screen. Remember, it's the group's *responsibility* to keep up with the group in front. It's recommended you pick up your ball when you have reached your maximum handicap score allowed on a hole. We can do this!

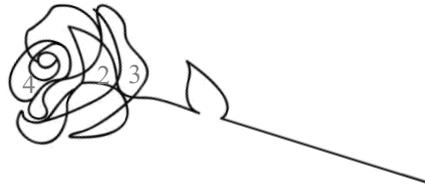

Course Etiquette! We've all had it happen—a shot in the middle of the fairway lands in a divot or a bunker shot is made more difficult by hitting from a footprint. These are a result of *poor etiquette*. Make sure you always rake your bunkers, fix your divots with sand, and *fix your ball marks* on the green. It takes the *whole* Club to care for the Golf Course, not a few individuals.

Embrace the Challenge! Undulating greens can be very challenging as you navigate the golf course. A few helpful hints to trim a few strokes off the scorecard: First, *speed control* is more important than direction when putting. It's crucial to roll your putt with consistent speed to make more putts or accomplish two putts. Second, reading the green is as simple as determining the slope. Imagine pouring a bucket of water on the green surface, which way will the water flow? The answer will help determine how much break you should play on your putt. Lastly, when playing your approach, pitch and chip shots, you need to take into consideration the slopes and flag placement of the hole being played. Your *goal* should always be to leave the ball below the hole so you can have uphill putts. Good luck and I hope you shave a few strokes off the score.

Golfingly Yours,

Ed Katchur

PGA Head Professional

Susan Fasoldt continued from page 3

Too cold to practice? Or too many people? There are a ton of things you can do at home to practice. During our Clinics and Multi-Week programs we give you LOTS of suggestions! Check out what one of our participants of Project Play Better had to say recently:

"I wanted to let you know how useful your at-home practice exercises were to me during our recent cold snap. I used a weight to get the feel of my arms hanging down properly (not reaching out), the "mirror" created by our sliding doors at night to work on my posture, and grout lines to brush up on my aim and alignment. Clearly, you can achieve a lot in the comfort of your own home!"

Martha B.

Weekly Golf Clinics

Monday, Thursday and Saturday

Topic and sign-up is in the Hallway!

SWGA 18 Hole Ladies *by Pat Carstensen, Publicity Chair*

Wow! Is our course looking beautiful? Thank you John Scott and his staff for all their work, many times early in the morning before most of us are awake. Please fix all your divots and ball marks to assist their efforts.

Early in January we started our year with a match play tournament of Pink team versus White team. The course lit up with our teams appropriately dressed in their team colors. White Ladies prevailed on this occasion, though everyone enjoyed celebrating at the 19th hole. The Clubhouse resounded with lots of cheers and joviality as the scores came in on the screen. The Member/Member results are on the website – I hope all participants had a great time with their partners. Congratulations to the winners. **February 18th** is the first round of the President's Cup with the 2nd round on **February 25th** followed by lunch and awards.

We are delighted to welcome four new members to our group: Dottie Verkade, Lynn Kennedy, Maruta Vanaselja and Annice Kronick. We hope you ladies are enjoying meeting and playing with the SWGA ladies and enjoying our program of weekly events. We enjoyed getting to know you a little better at the new member get-together hosted by Lynn Goldbloom and the New Member's golf tournament – thank you Lynn.

Excitement is building as we get closer to the SWGA Member/Guest, "Puttin' on the Ritz" event. Signup was in January for the Practice Round (Mar 23rd) as well as for the day of the event, **March 24th**. If you have a guest and would like to play, please contact Mary Doody at 630-247-1022

 Please mark your calendars for the Breast Health Golf Tournament on **March 10th**. Many of our ladies (and men) have been putting in many hours of work to make this event its usual success. Signups will be on Golf Genius. More information later.

HAPPY VALENTINE'S DAY TO YOU ALL

SWGA 9 Hole League News *by Nancy Thompson, Publicity Chair*

Hello Ladies and Welcome Back! It's time to get your calendars out and make note of all the important dates and events that are coming up for the SWGA 9 -Holders this season.

To start, our events for February are as follows:

2/4 – 1:00pm SG - **Meet & Greet** Scramble with a Pro (Please be sure to come for the Wine & Appetizers even if you aren't able to play golf that day; it's a great opportunity to meet all the new members)

2/11 – 8:00am & 10:00am SGs – Individual (4) Club Includes Putter

2/18 – 8:00am SG – **President's Cup** – Round 1: Stableford Points

2/25 – 8:00am SG – **President's Cup** – Round 2: Stableford Points, LUNCH to follow.

(The President's Cup is a lot of fun and we encourage everyone to come out and just play golf; that's all there is to it!) The next big event that will be coming up is the annual **Breast Health Cancer** tournament on March 10, 2020, with 8:00am & 1:15pm SGs. Sign-up for this event will be through the Golf Genius, so be sure to watch for that. The 2021 SWGA 9 Hole Invitational is in the beginning stages and Kathy Banca will be letting us know the exact date very soon. The upcoming meetings for this are **2/7/20, 3/6/20 & 4/10/20**; all of the meetings will be immediately following the Board meetings on those dates if you would like to attend. *Looking forward to a great month ahead! Have Fun!*

SMGA League News *by Gary Jacob, Communications*

As of this writing we are preparing for the 2020 President's Cup and 2020 Member/Member competitions. We also have several individual SMGA events between now and our Shootout on Sunday, **March 22** at 2:00pm. There is plenty of time to qualify...so an overview follows:

If you have not already signed up for the shootout, sign up in pro shop

1. SMGA members who sign up will have their eligible (18-hole score) rounds tracked all season in SMGA events.
2. \$10 to enter
3. The system will save your best 18-hole net scores as your qualifying rounds
4. 10 players will qualify for white tee
5. 20 players will qualify for silver tee flight (2 groups of 10)
6. 10 players will qualify for gold tee flight
7. Shootout will be held on Sunday, **March 22** starting at 2:00 pm
8. Format is individual stroke play, starting on 10th hole. Two players will be eliminated on holes 10, 11, 12 & 13. One player will be eliminated on 14 & 18. Ties are settled by chip-offs. Handicap strokes (33% based on a 6-hole course) are based off the low handicap in the flight.
9. Family and friends are encouraged to come and cheer on participants.

Beer cart will be riding around course.

February Events! by Kathleen Strand, Food & Beverage Manager

February is another busy time at the Club. It starts on February 1st with **New Jersey, New York & Pennsylvania Night**. Delightful local fare will be served buffet style, then dance to music performed by John Rinell; he'll play & sing some of your favorite classic New York, New Jersey-style music. Yes, you'll think Sinatra's in the building!! Don't miss this one!!

Lifelong Learning led by Fran Feldman continues classes every Monday in February from 3:00–4:25pm. For information, contact Fran Feldman 617-968-1204.

Hey Bingo Players! Every Tuesday evening, Stoneybrook is the place to be! Come early and enjoy a wonderful buffet, then stick around for the daubing! Alan Blum and Patty Heberling are your hosts for this delightful event. Also, the special game has the Club buzzing! Come in and check it out!

Thursday, February 6th, **Smooth Jazz**! Joel Rodney is back to provide beautiful light jazz in the dining room during **Rib Night**. He will perform the first Thursday of March, April and May as well. Joel continues to be a delightful addition to Rib Night.

Form your team for **Trivia** and enjoy a charming buffet dinner. Stoneybrook member Andrew Batty hosts this quizzical event. Test your knowledge Friday, February 7th and February 28th. The more the merrier, so put a team together and come on in!

The **Valentine's Dinner Social** will be held on Friday, February 14th; entertainment will be provided by Black Tie DJ! Cocktails are at 6:00pm with dinner stations and entertainment at 7:00pm.

This is a great way to meet people! Sign up as a couple or individually; we will be happy to join singles or groups.

Saturday morning **February 15th** meet at the Club for the **17th Annual Walk and Talk!** Morning coffee and a light lunch are part of this great fundraiser for the Southeastern Guide Dogs. Contact Dave Scruggs or Shelby Colston for more information on this heartwarming event.

Saturday, February 15th, come into the Grille Room and listen to piano and vocals by **Joe Thayer**.

Friday, February 21st, those of you from **Canada or New England** will want to come in for a great night of "mixing, mingling & dancing" with your neighbors back home. Some hometown favorites will be served. Doo-Wop Denny is back by popular demand; he will be performing many of your favorite tunes.

Friday, February 28th, Mary Doody presents **Lunch and Learn with speaker Rebecca Sprengel**, a resident of Stoneybrook. Rebecca's topic is Food and Feasting throughout the Ages. Lunch will be served prior to the presentation. Reserve your space today! As always, we welcome your suggestions, comments and concerns, please feel free to fill out a comment card, or email me directly. Thank you for making Stoneybrook the best place to be.

Hope to see you soon!

Kathleen

Practice Challenge by Andrew Sirota, Head Tennis Professional

In my tenure here at Stoneybrook, I have been blown away by the passion and enthusiasm that our community has for the sport of tennis. I spend most days talking swing mechanics and technique, strategy for play, and the mental approach to the game. The players here have been very receptive to my style of coaching and many have shown vast improvements throughout the past few years. There is one area in which I feel players are lacking in their approach to improvement. This "x" factor is the time spent just hitting with a partner or partners. I know that sounds like a simple idea, but let me be more specific. When I say "hitting," I mean not in the context of a game or match, or drill, or clinic. What I mean is hitting a particular shot over and over with a partner to improve that stroke. That is, to improve my forehand, I will go out and hit forehand to forehand with a partner for a minimum of 30 minutes. This allows for the appropriate amount of repetition to start to develop muscle memory. How many of you have gone out and just hit? My prescription is to do this at least once a week. This brings us to my CHALLENGE. I challenge the tennis community to go out and hit balls without keeping score, just to get the repetition. This does not include the use of the ball machine. Don't get me wrong, the ball machine is a nice way to go out and work on a stroke. However, the ball machine is predictable and consistent. Real life players are not. That is why hitting with another human is a crucial part to acquire or improve skills. For this challenge, players need to spend at least 30 minutes per session in the month of February. Players should email me (arsirot@gmail.com) after each session. The player or players who log the most sessions win a 1-hour lesson with yours truly! Good luck and we are using "honor code" rules to regulate this challenge.

Southern Bacon Jam by Zeke Wentworth, Executive Chef

Savory, sweet, sour and earthy, Southern Bacon Jam is a versatile condiment. Try it on a crostini with blue cheese and chive. Sorghum syrup can be replaced with molasses. The flavor will be different, but still delicious.

Yields about a cup

12–13 ounces (350g) bacon, diced into 1/4-inch (1cm) pieces
2 tablespoons light brown sugar
2/3 cup (160ml) sorghum syrup
1/2 cup plus 2 tablespoons (150ml) water or chicken stock
1/4 cup (60ml) sherry vinegar or good-quality apple cider vinegar
1 tablespoon soy sauce
freshly ground black pepper

Put half the bacon in a skillet and cook it over medium-to-low heat, stirring until the bacon pieces are crisp. Depending on the bacon you use, you may need to add a drizzle of oil to the pan at the

beginning to get things going. Use a slotted spoon to scoop out the bacon pieces and drain them on a paper towel. Drain off excess oil from the pan, and fry the rest of the bacon the same way.

In a heavy-duty medium saucepan, heat the brown sugar and sorghum syrup, cook over medium heat, stirring only enough to make sure the ingredients are well-mixed. Cook until the mixture darkens and thickens a bit, about 5 minutes.

Remove from heat and add the water or stock and the vinegar. The mixture may steam and bubble up a bit, so be careful. Place the pan back on the heat and simmer until the syrup has been reduced by half, about 10 minutes.

Add the bacon and the soy sauce to the saucepan and bring the jam mixture to a simmer again, until the mixture is thick and sticky. Remove from heat, add a few turns of black pepper, let cool to room temperature.

Around the Grounds *by Forest Crooke, Natural Assets & Grounds Manager*

In January we finished up the latest round of invasive species control out in the preserve areas. Once it neared completion, we went on a very thorough hike into the interiors of each preserve area to see how they are progressing. It is truly amazing to see some of the preserve areas that were once solid infestations of pepper trees now so thick with native species that they are hard to walk through in places.

The most rapid regrowth of the native species has occurred in the interior wetland portions and in the surrounding buffer areas that are holding the most amount of moisture during the year. Some of the more upland and drier sections of the surrounding buffers are filling back in, but at a slower pace. When we first started the invasive species project, we knew some areas were going to need a little assistance in re-establishing the native growth. The plan was to look about 5 years out to see where we might need to enhance the areas with native vegetation re-planting. Currently, we hope to start some of this restoration planting work a little later this year.

The first replanting focus will be a high-visibility buffer area along Glen Meadow where the drier soil has hindered native species regrowth.

On another subject, you don't often equate natural assets with driving too fast on our community roadways, but it might be time to think about it a little. Over the past year or so we've noticed an increase in the larger native animal species calling the community home. We are starting to see some larger bobcats making a return. We also have some new healthy coyote pups, which seem to like walking in the roadway. The largest newcomers are the deer. There are several places out on Glen Meadow and the Boulevard that have become regular deer crossings. With springtime just around the corner, we could see even more of these in the community, so as a reminder and safety tip, please slow down, enjoy the view, and please watch out for our native furry members of the community.

As always if you have any questions or a concern about anything related to the grounds and facilities, you can email us at fcrooke@stoneybrookgcc.com

From The Tennis Association Board *by Pandy Anderson, STA Board Member*

Tennis players regularly enjoy the very positive effects the game has on their health and wellbeing. Good physical fitness and mental constitution are invariably the results of friendly and competitive matches frequently enjoyed. These matches with friends from inside the club or outside form part of the life of many of our members.

Naturally, winners of all these different competitions also very much enjoy the recognition and congrats they receive from everybody present whenever they are successful.

Right now, and maybe within the context of the 25th anniversary of the Club, the Stoneybrook Tennis Advisory committee has had many requests to find some way in which to recognize tennis accomplishments of the official Stoneybrook Teams.

While individual achievements in Club tournaments are being recognized in the hall adjacent to the Golf Pro Shop, the teams competing in USTA competitions have not had any comparable recognition. So far, they are applauded at the Annual Meeting in March, but their cups and trophies have disappeared into different corners of the Clubhouse or into the homes of former players. There is, unfortunately, no permanent facility in which to display plaques and trophies of our proud teams. The display case at the courts is not weather resistant; pennants and other banners installed at the courts would be exposed to the elements and quickly look drab.

The Tennis Board and Committee are now exploring the possibility of a display for numerous winner plaques honoring the championships of our teams. It seems to be a good moment now at the time of our anniversary for us to honor men's and women's Interclub and USTA winning teams and any individual who has contributed above the norm to the Stoneybrook tennis community.

FR: Jose Hill, Ellie Brenan, Pandy Anderson, Lou Martin

BR: Mickey Casner, Olof Franzon, Christina Sequin, Mike Injeian

Stoneybrook 25th Anniversary Trivia answers:

1.	Last House Built	1998/1999
2.	Attached Villas	146

Sean & Pella

THERE WILL BE A SPECIAL GUEST SPEAKER AND HIS VERY SPECIAL COMPANION
AT THIS YEAR'S EVENT.
THROUGH PAWS FOR PATRIOTS AT SOUTHEASTERN GUIDE DOGS, U.S. ARMY VETERAN
SEAN BROWN AND PELLA ARE NOW A TEAM IN HIS EFFORT TO OVERCOME PTSD.
"PELLA IS A BLESSING. SHE HAS MY SIX. SHE IS MY PARTNER. PELLA IS EVERYTHING."
SEAN NOW ENJOYS LIFE WITH HIS WIFE, TWO YOUNG CHILDREN AND
AS A SPORTS ANNOUNCER, PODCAST HOST, MUSICIAN AND
MEMBER OF THE SOUTHEASTERN GUIDE DOGS TEAM.
COME MEET U.S. ARMY VETERAN SEAN BROWN AND PELLA TO HEAR
HIS LIFE'S JOURNEY.

Heroes
Sean and Pella find freedom together

Please contact Dave Scruggs (716-983-9098) or Shelby Colston (941-400-4435) for further information. If you are unable to attend this year's walk and would like to donate please send your donation to:

Southeastern Guide Dogs, 8782 Merion Avenue, Sarasota, Florida 34238

Looking forward to seeing you at this year's walk.

Come out and support our future heroes that one day will change a life!

THE NATURAL ASSETS COMMITTEE IS SPONSORING A CONTEST FOR ALL STONEYBROOK MEMBERS.

THIS CONTEST IS EASY TO ENTER, AND ANYONE CAN BE A WINNER. ALL YOU NEED TO DO IS TAKE A PHOTO OF A PURPLE MARTIN AT OUR PURPLE MARTIN BIRDHOUSE.

IN CASE YOU HAVEN'T SEEN IT YET, THE BIRDHOUSE IS LOCATED BETWEEN THE TWO PONDS ON THE EAST SIDE OF STONEYBROOK BLVD. BETWEEN MERION AVE. AND WEMBLEY CT.

IF YOU HAVE BEEN TO CELERY FIELDS, YOU WILL HAVE SEEN PURPLE MARTIN BIRDHOUSES JUST LIKE THIS ONE. WE SHOULD BE SEEING EARLY MIGRANTS (SCOUTS) ARRIVING IN SARASOTA IN THE NEXT FEW WEEKS. THESE BIRDS WILL BE LOOKING FOR NESTING SITES, AND THE HOPE IS THAT THEY DISCOVER OUR BIRDHOUSE AND CHOOSE TO MAKE IT THEIR SARASOTA WINTER HOME.

How do you win? By being the FIRST member to submit a photograph of a purple martin at our birdhouse.

So, keep your cell phones and cameras handy, as you walk or ride along Stoneybrook Blvd.

Please submit your photos to
Nicki Waugh, nickiwaugh@gmail.com.

ANNUAL MEMBERSHIP MEETING

Covenant Life Presbyterian Church
8490 McIntosh Road
Thursday, March 26, 2020
9:30am

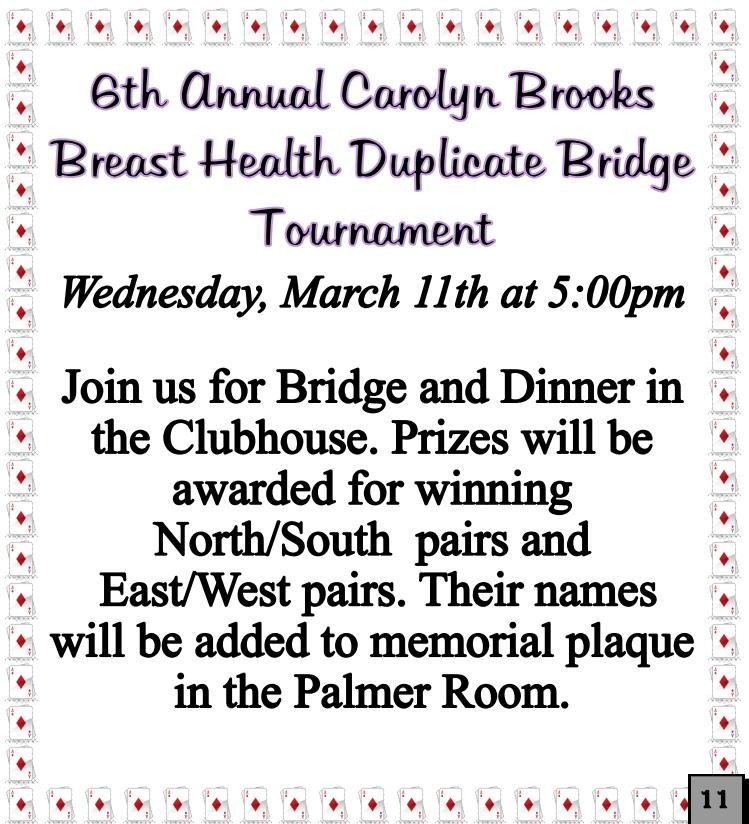

Agenda

1. Call to Order
2. Determination of Quorum
3. Approval of 2019 Annual Meeting Minutes
4. Reports from Officers
 - a. President
 - b. Treasurer
5. Committee Reports
6. General Manager
7. New Business
8. Question & Answers (end by 11:30am)
9. Adjournment

Season Has Arrived
For those owners who have
renters coming,
please forward their
Transfer of Membership forms to
the Administration Office.
Thank you

We have started to acquire several Lost & Found items. Please check in the Administrative Office if you have misplaced something. All items left will be donated to charity.

6th Annual Carolyn Brooks Breast Health Duplicate Bridge Tournament

Wednesday, March 11th at 5:00pm

Join us for Bridge and Dinner in the Clubhouse. Prizes will be awarded for winning North/South pairs and East/West pairs. Their names will be added to memorial plaque in the Palmer Room.

Breast Health Sarasota

The SWGA will Host a Golf Tournament to Benefit Breast Health Sarasota!

March 10, 2020

8:00 a.m. Shotgun for SWGA Members

1:00 p.m. Shotgun open to all Golfers

IMPORTANT: We are looking for donations of baskets, and/or items to be included in the baskets. Please gather 'new' items to make up one-of-a-kind baskets, or deliver items to Rhonda Gonzalez who will match items in like

baskets. We approach local businesses and restaurants for gift certificates or donated items but when you're in your favorite places please ask for a donation for this worthy cause. Feel free to call Rhonda at 716-531-1782.

AND ALSO IMPORTANT: Do you have silent auction items you would like to donate? Time at your vacation home? Jewelry? Watches? Air miles? If it's valuable to you it's valuable to us. Please call Barbara Tierney 941-966-2030. Thank you for your generosity!

Here's what the committee is working on for you

\$75 all inclusive (golf, luncheon, donation to Breast Health Sarasota, 2 mulligans, 1 foss out, shot by the Pro, and putting contest)

Golf Genius Signup information to follow.

You will need the names and membership number for your foursome. If you need to join a group or need a player to fill out your group, please email Pat Carstenson at blokpm@aol.com

Format: Minimum 2 drives per person, Step Aside Scramble

ARCHITECTURAL AND AESTHETIC CONTROL COMMITTEE

The mission of this committee is to keep our community aesthetically beautiful so that it will continue to be one of the premier communities of Sarasota for years to come.

Please remember that in order to fulfill the Mission, all owners need to apply for permission to make any changes to the outside appearance of their Home, Veranda, Villa or Condominium.

This applies to awnings, driveways, hurricane shutters, painting, roofs, updating landscaping, including tree removal, and enclosing of front or back lanais.

Applications and instructions are available online or in the Administration Office.

NOTE: It is better to apply for approval than to be told to undo a project.

NEW

AT STONEYBROOK

Individual Duplicate Bridge

Play as an individual with 8 different partners

- Tuesday nights in alternate weeks with pairs duplicate
- Similar format as the pairs duplicate: 5:30pm buffet in the Dining Room, bridge afterwards in the Garden Room

18.95++

Special Game Too!

5:30pm Buffet

Bingo Follows Dinner

www.stoneybrook.net

Reservations: 941-918-9595

A graphic for a bingo and buffet event. It features large red text for "BINGO & BUFFET" and "Tuesdays". Below the days, there's a bingo card with numbers 7, 25, 44, 57, 62, 15, 22, 40, 50, 70, 11, 30, 46, 74, 2, 28, 37, 55, 68, 10, 27, 39, 59, 75. To the left is a blue box containing the word "BINGO" in large, colorful letters (B=brown, I=blue, N=yellow, G=orange, O=green). Below the box is the price "18.95++". A yellow arrow points from the price to the text "Special Game Too!". Another yellow arrow points from the "Special Game Too!" text to a cartoon sun character with a smiling face and money bags around its head. To the right of the sun is the time "5:30pm Buffet". Further down on the right is the text "Bingo Follows Dinner" and the website "www.stoneybrook.net". The bottom right has the phone number "Reservations: 941-918-9595". The background is white with colorful confetti-like splatters.

The logo features a large, stylized black font word "PUB NIGHT" centered above a graphic of a martini glass. The glass is filled with a bright pink liquid and contains a lime wedge with a visible crosscut. Below the graphic, the text "Specials Every Wednesday 5:00-8:00pm" is displayed in a bold, black, sans-serif font.

Thursday, February 6th
BABY BACK RIBS,
PRIME RIB NIGHT &
LIVE MUSIC With Joel Rodney

The logo features the word "TRIVIDA" in large, stylized letters at the top, each letter outlined in red and set against a teal background. Below it, the words "Friday Night" are written in a flowing, red cursive font. The entire logo is accented with small yellow starburst shapes.

The image is a promotional collage for the "Jimmy Mazz Vegas Show". It features a central figure of a man in a dark tuxedo singing into a vintage-style microphone. To his left, another man in a tuxedo is shown from behind, holding a cigarette. Above him, a man in a suit and tie is singing. In the upper right, a man in a top hat and sunglasses is playing an acoustic guitar. Below the main figure, a man in a tuxedo is laughing heartily. To the right, a man in a white suit and blue scarf is gesturing dramatically. The background is a vibrant, colorful cityscape at night, with bright lights reflecting off buildings. The overall theme is classic Las Vegas entertainment.
